**J**esus' instructions to the apostles are very specific. He repeats the mission that they are sent to preach and to share his authority to heal and to drive out demons. Jesus sends them in pairs, establishing his mission as a communal endeavour. Jesus also instructs them to travel lightly, without food, money, or extra sets of clothes. These instructions mean that the Twelve will be dependent on the hospitality of others, just as Jesus depended on others to provide for his needs. Jesus continues to send us into the world as his disciples, but like the first disciples, we are not sent alone. Jesus has given us the community of the Church, which strengthens our life of discipleship. The Christian message can be proclaimed in and through the community of faith that is the Church. In our work with others, we build this community of faith and can invite others to share in it

*Go tell everyone!* Dear Lord, help me to continuously be aware of all people around me every single day. Where there are people, there are needs. Give me Your eyes to see some of those needs and the wisdom to know how to help as well. Help me to be your hands and feet as I serve others right where I'm at. And allow them to see Your light in my life as I do work in your name. Amen.

**PRAYER FOR THE END OF A SCHOOL YEAR . . .** At the end of this school year we give thanks to God: For all the teaching and learning that have taken place in our schools, both in and out of the classroom. For the talents and gifts that have been shared and the challenges that have been faced. For the respect and care that have been given. We give thanks for the friendships that have just begun and for those that have grown. We give thanks for the community that we are and we ask you Lord to bless our families as we take our holidays, may our time together leave us with memories to cherish. Pour out your love on us that we may return renewed and refreshed to continue our journey together. We make this prayer through Christ our Lord. Amen
