- This week, the children at **St Bede's** School will be make a list of things that they can do to make the season of Lent a time of simple living focused on God and the needs of others. Using their lists, the children will then make a box and write one thing in each box of the 'Living Out Lent Cube' pattern. Throughout the season of Lent, the children will take the time to roll the cube to determine the activity they will complete that week in order to live out their lives more like Jesus.
- **St Michael's School** in Billingham are supporting CAFOD and encouraging both staff and students to walk 10,000 steps a day with donations to CAFOD's 'Walk for Water' fundraiser. We have also been running a Stations of the Cross photography competition for students. The main aim is for students to take creative pictures to represent the stations. Once the winners have been chosen, we will share some of the photographs with the Parishes.
