We are all called to build the kingdom of God, but no two people have exactly the same task. Each of us is called to bring God's love, presence, light and peace into our world. This is our vocation, this is the unique set of talents that has been entrusted to each of us by God. As expressions of God's love, our talents are not intended to be hidden or to remain unused, they are meant to be developed by us as a sign that we appreciate God's love and blessing.

This Sunday is the Seventh World Day of the Poor with the theme of 'Do not turn your face

away from anyone who is poor. We are reminded that poverty comes in many forms; material poverty, emotional poverty, and spiritual poverty. It is not only the lack of material possessions but also the absence of love, faith, understanding and support. As followers of Christ, we are called to address all forms of poverty, promoting a culture of encounter and communion.

Open our eyes to the needs of our brothers and sisters; inspire in us words and actions to comfort those who labour and are burdened. Make us serve them truly, after the example of Christ and at his command, and may your Church stand as a living witness to truth and freedom, to peace and justice, that all people may be raised up to a new hope. Amen.

**The Newman Association Cleveland Circle ~ 'Dorothy Day, a new saint for our times?'** Talk by Angela Wills: Dorothy Day was an American journalist, social activist and anarchist who, after a bohemian youth, became a Catholic without abandoning her social and anarchist activism. Pope Francis said, "Her social activism, her passion for justice and for the cause of the oppressed, were inspired by the Gospel, her faith and the example of the saints." Angela was born in Middlesbrough but has lived in Reading for the last 54 years. She spent ten years in the Pastoral Formation team of Portsmouth Diocese and now works with their Spirituality Formation Team as a Spiritual Director. The talk is at St Mary's Cathedral Hall TS8 0TW. Light refreshment 7.30pm for 7.45pm start.
