This Sunday's gospel is all about priorities. It is about who is truly God in our lives and how we invest our lives and the gifts that God has given us. Our lives and possessions are not our own, they belong to God and we are merely stewards of them for the time God has given us on this earth. All that we are and all that we have belongs to God. The parable Jesus told teaches us that earthly riches are not the answer to our eternal security. The important thing is that we must be rich spiritually to inherit eternal life.
